

Technical drawing of a rectangular structure, likely a mold or container, showing dimensions and internal layout. The structure is composed of 10 rectangular blocks arranged in a 5x2 grid. The overall dimensions are 90 (width) and 210 (height). The blocks are divided into two main sections: a front section (left) and a back section (right). The front section has a height of 40 and a width of 8. The back section has a height of 38.25 and a width of 24. The total height of the structure is 210. The drawing includes labels in Armenian: "Ամփնատ, ղիսրագույն" (Amphnat, light gray) and "Բաց, ղիսրագույն" (Bats, light gray). The drawing also shows a 2x2 grid of blocks in the front section and a 2x2 grid of blocks in the back section. The blocks are labeled with dimensions: 40, 8, 24, 38.25, 90, and 210. The drawing includes a scale bar and a north arrow.

Age (years)	Percentage of people who have ever been in a romantic relationship
18	10
25	30
30	45
35	60
40	75
45	85
50	90
55	95
60	98
65	100

Diagram showing the vertical dimensions of the wall. The total height is 38.25. The height from the base to the top of the wall is 24. The height from the top of the wall to the top of the parapet is 11.
