Road Department Fund (RDF)**

North-South Road Corridor (Sisian – Kajaran Southern Section) Project

INVITATION FOR PREQUALIFICATION

Date	03 November, 2025
Title	ECEPP ID: 38582802 Construction supervision consultant for the Construction of the 24 km Southern Section of the Sisian - Kajaran Road

The Government of Armenia has approached the European Bank for Reconstruction and Development (the EBRD) and the European Investment Bank (the EIB) with a request to finance the construction of the 24-km Southern section of the Sisian - Kajaran road, part of Tranche 4 of the North-South Road Corridor (the NSRC).

The Project will be implemented by the “Road Department Fund” (the Client) on behalf and under the governance of the RA Ministry of Territorial Administration and Infrastructure.

The NSRC is a major infrastructure project that aims at connecting the Southern border of the country with its Northern point by means of the 556 km-long Meghri-Yerevan-Bavra highway. It is also a part of the Asian Highway corridor (AH 82) which connects the Central Asian countries (Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan and Uzbekistan).

The Sisian-Kajaran road of the NSRC is one of the three sub-sections of Tranche 4 and is significantly larger and more complex than any other section of the NSRC. It is located in Armenia’s southern and relatively more remote and less developed region of Syunik. This section has strategic importance for Armenia’s local, inter-regional and international connectivity.

Road Department Fund now invites eligible consulting firms (the Consultants) to submit their Prequalification Applications to provide the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The Consultant shall have extensive and proven experience in construction supervision, preparation of technical specifications, quality control, contract management and dispute resolution of similar type and size international contracts.

Consultant recruitment will be undertaken in accordance with the EBRD ***Procurement Policies and Rules (15 May 2022)***. The follow-up procurement process shall be conducted in accordance with the EBRD's ***Standard Procurement Document for Consultancy Services – Single-Stage, Two-Envelope Procedure***, and shall apply the contract terms and conditions set out in the EBRD's ***General Conditions of Contract for Consultancy Services (2022)***.

1. Submission of Applications:

The interested consultants are strongly encouraged to register and apply through EBRD's Client E-procurement portal (ECEPP) at <https://ecepp.ebrd.com/>. Participants shall register with ECEPP in accordance with the terms and conditions of use of ECEPP, as published on ECEPP. Only the Participants who are registered and who have expressed an interest in the Procurement Process shall be able to access the Procurement Document, receive clarifications, addenda and amendments and submit their applications through ECEPP.

The procurement documents are available for unrestricted and full direct access, free of charge, at the following URLs:

- <https://ecepp.ebrd.com/delta/noticeSearchResults.html>
- <https://ecepp.ebrd.com/delta/buyers/select/editQuestionnaireForm.html?listId=38582889>

The Participants shall submit their applications electronically via ECEPP no later than the deadline for submission of applications at the time and date stated in ECEPP.
